Your Image is Our Business.

Designed specifically to
optimize your efficiency,
image quality, and
return on investment.
The TruDR eSeries™
can be configured to fit
any practice and
any budget.

*"High-quality flat panel system pricing
was too high for many smaller practices.
Now with the TruDR eSeries™,
every practice can afford a flat panel
DR system that will optimize
both the quality of medicine and
the return on investment."*

— Bill Hornof, DVM, Diplomate, ACVR
